Medicine Hat's Only Professional Belly Dance Troupe

The dance troupe provides professional bellydance entertainers for elegant occasions.

Bellydance makes a wonderful addition to events such as:

- weddings

- holiday parties-corporate or private,
- store openings
- special events
- festivals
- charity galas

The dancers are able to customize styles to suit your event – in the past, we have done Polynesian (Hawaiian), 50's/60's, African, even Can Can.

Please call us in advance to discuss details such as date & time, length of performance, facility and price.

Contact Krista Vandermeulen or Lindsay Perry (owners of Tone) at 403-527-2220, or send us an email at toneitnow@gmail.com.
